General

It has been reported that members and non-members of the SARL are communicating directly with ICASA and the minister's office; while I appreciate your frustration with the process, talking directly to ICASA or the minister's office at this time is not helping our position at all. Members please address your comments to the league that we may have a united front in our dealings with ICASA.

Your cooperation in this matter is greatly appreciated.

Regards,

Graham Hartlett (ZS6GJH)
President SARL
