

SARL VHF contest results out.

The most logs was received for the contest in years, and things sure are heating up in preparation for next years contest with many club field stations participating.

Congratulations to all winning stations and runners up.

For the fist time a VHF digital contest ran in parallel to the normal contest. These results are also announced.

A reminder to all : Next years contest will see some rule changes and digital modes will be included.

These results will become official after 14 days.
